8. Reconnecting

We would like to be able to invite all our Old Boys and Girls to reunions and other events but some of our information is out of date. Are there any Old Boys and Girls with whom you are in contact whose details you can share with us?

In order to keep our details of the Old Boys and Girls as accurate as possible, and to improve communication between the School and the O.C's, we have established an old pupils' Register where we hold all details on a school database. Your details will be added to this database.

I am/am not* happy for my details to be possibly passed on to an Old Pupil, on request, or printed in any future publications (*delete as appropriate)
