

Friends of Cameron House

25th September 2008

Dear Parents,

On behalf of Friends of Cameron House, I would like to wish you and your children a wonderful school year full of fun, learning and friendship.

The support FoCH gives to the school is greatly appreciated and confirms the school, pupil and parents' co-operation which is so important for the education and care of the children at the school.

We are very lucky to have such supportive parents who give their time so generously. FoCH organise many events throughout the year for the enjoyment of the children and their parents. In the past we have organised the following: Christmas Sale, Spring Party or Fair for the children, Summer Cocktail Party, Silver Jubilee Fair, Autumn Drinks,...

We also try and celebrate the teacher's birthdays, organise staff breakfasts, make sure we have enough parent readers, buy toys or playground equipment, offer something to parents after the Christmas Service and Spring Service as well as on Sports Day.

Our diary for this year so far will already include another wonderful Christmas Sale, a fabulous Themed Spring Party for the children and a Christmas Drinks party for the parents. The children will also get the opportunity to make their own Christmas cards for us. We may treat the staff to lunches this year instead of breakfasts and Mulled wine and treats will be served after the Christmas Service again.

For all the above we do need your help. The second hand uniform sale generates some income for FoCH but we mainly depend on your generosity.

We have already started to ask for help through the Northbrook gift-wrap sale so please order away. From now on, we will place a donation box at many of our events so if you can please look out for it. To cover our costs, we may also sell tickets up front for the events or even organise a raffle during the event.

FoCH meets at least twice a term and we will keep you updated on a regular basis with regards to all the upcoming events.

I would also like to take this opportunity to thank Mariska Beekenkamp again for having been a great Chair(wo)man over the past two years as well as a big thank you to the past and current reps.

And so we begin another school year!!!

Warmest wishes,

Emy Herbosch
